

I-Polish

CHICOPEE

Aftermarket

I-Polish is a high quality wipe for outstanding performance and a perfect polish. And your job is made easy!

Maximum results. Minimum elbow grease.

Polishing a car to perfection is no easy task. It takes just the right amount of patience, precision and perseverance - and the most efficient wipe on the market.

The Chicopee I-Polish combines every feature necessary for a flawless finish.

- Highly absorbent - Economical use of wipes and paste
- Compatible with almost all industrial pastes - Enjoy flexibility in your choice of polishing pastes
- Extremely soft - The best-looking finish at the softest touch
- Low linting material - For a car body that shines
- No static - For a clean surface without compromising on your comfort
- Thick and comfortable to use - For efficient application of polish and ultimate ease

No scratches. No excess polishing paste. Just pure sheen.
