

I-Solve®

CHICOPEE

CHICOPEE

Aftermarket

I-Solve® is a tough and fast-acting degreasing wipe that does its work and lets you get down to business.

I-Solve® has all the answers.

Removing grease and solvents should be a quick and easy task, but all too often paper-based products fall apart and leave an even bigger mess.

The strong and durable Chicopee I-Solve® is up to the task, removing water, detergents, and dirt quickly and efficiently. I-Solve® dries surfaces almost instantly, saving time, money and effort. I-Solve® wipes are also available to be used from a dispenser.

- Silicone-free - Keeps painted surfaces smooth and undamaged.
- Highly absorbent - Removes fluids easily and completely.
- Incredibly strong - Retains its form, wet or dry
- Low linting material - For a stunning paint job
- Solvent resistant - Use whichever solvent is most convenient.
- Efficient dirt pick-up - Absorbs all grime and grease.

Hard-wearing. Long-lasting. I-Solve® gets the job done.

Art. No.	Size (cm)	Colour	Content	Prod. Type	Dispenser
84553	37 x 22		250 wipes	Centrefeed roll	D3/D8
